

VIKASH SAMUKHYA

A CIVIL SOCIETY CONSORTIUM FOR DEVELOPMENT

(www.vikashsamukhya.org /
www.vikashsamukhya.in)

AIHMS, (Ansul India Health & Management Services) founded in 2010, is a multidisciplinary consulting, research, social communication, training and data management agency. It provides high quality technical expertise and management services to assist policy makers and practitioners in achieving their goals of sustainable human development in different sectors including health, hygiene, nutrition, agriculture, information and communication technology etc.

Our Vision: Creating a world with efficient consultants and satisfied consumers

Our Mission: Providing cost-effective and sustainable services to customers in need

Our Motto: “We care for your money; you care for our value”

AIHMS utilizes inputs from a group of seasoned, sound, and dependable professionals.

Its operations always reflect the following strengths:

- Strong practical experiences backed by intimate familiarity with evolving development concepts and theories
- Updated sector knowledge including the incumbent policies, programs, institutions, and relevant stakeholders
- In-depth understanding about the vital community based development program dynamics and program management factors of the government, private sectors, and NGOs
- Strong background and skills in the areas like project management, policy analysis, sector analysis, program based study/ research, OR type study, survey, evaluation, and situation analysis techniques
- Long-term practical experiences in the management, monitoring, and supervision of development programs operated by private sector TA agencies, NGOs, multilateral & bilateral donors, and governmental bodies

AIHMS provides high quality technical expertise and management services and assists policy makers, programmers, practitioners, and promoters in achieving their goals of sustainable health and development goals.

Achievements:

- Regional Champion for the TWG on Teaching and Learning of Health Policy and Systems Research (HPSR) by LSHTM (UK) & JHU (USA)
- Consultant to Commonwealth Youth Program, Commonwealth Secretariat, the Commonwealths Fund for Technical Corporation (CFTC), London, United Kingdom
- Member of Health Council, International Organization of Educational Development, An International Diplomatic Mission, New Delhi, India
- Network Member, Global Compact Network India, An International Organisation in the Development Sector, New Delhi, India.

Sectors We Work With:

- Health & Family Welfare
- Nutrition & Food Security
- Formal & Non-formal Education
- Livelihood Opportunities & Skill Development
- Agriculture & Animal Husbandry
- Information & Communication Technology (ICT)
- Renewable Energy & Clean Environment
- Climate Change & WASH
- Partnership & Networking

AIHMS team members are specialized in providing technical assistance to the donors, NGOs, governmental agencies and private business companies in getting their work in a more efficient and effective manner. It also provides cost-effective and sustainable solutions, which are normally innovative in nature. The team includes professionals from diverse fields with necessary expertise in all fields of development that include: academics, civil society, public and private sectors.

AIHMS utilizes inputs from a team of professionals and consultants as well as and over hundreds of consultants and experts from different countries with widely diversified professional background.

AIHMS adheres to a management approach and working strategy that emphasize on fielding and participation of staff that combine adequate practical experiences, technical know-how and unwavering dedication to achieve the project goals in a quality-conscious yet cost-effective manner. Its consultants, equipped with sound theoretical knowledge backed by practical exposures and familiarity with currently adopted sector strategies and policies are equally sensitive about the country's regulatory and legal environment, cultural heritage and business practices.

To help achieving the goals of sustainable human development (SDGs) by 2030 and relevant sector reform agendas, AIHMS recognizes the importance of post-2015 sustainable development goals ensuring better equity, internal capacity building and other lasting impacts. Different teams of consultants design their consultancy frameworks for every small or big assignment keeping these aspects and strategic considerations in the context.

VIKASH SAMUKHYA

A CIVIL SOCIETY CONSORTIUM FOR DEVELOPMENT

The Consortium will be called as “Vikash Samukhya”, taking the Sustainable Development Goals (SDGs) as its targets to develop the 283 Backward Districts of the country that will substantially contribute to fulfil the very ambitious national targets by 2030. These districts are spread across 25 states and 1 union territory of the country.

The Consortium has started its Odisha State Chapter on the same day, as 26 out of 30 Districts of the state are designated as Backward Districts, and the state will take a long time to meet its set targets of 17 Goals (SDGs) within the desired timeframe.

The County Coordinating Office will be based at AIHMS-Delhi for now and will be coordinated by its Patron & Chief Functionary, Prof (Dr) Surendra Kumar Mishra. The elite team of consultants and other functionaries will help VIKASH SAMUKHYA to spread its wings to realize the agenda of development in the backward districts of India.
